

Girl Scout Flower and Butterfly Garden

While visiting our other gardens, why not stop by to visit our newest garden located at the rear of the building along the wall to the Great Hall (near the Day School entrance)? This lovely landscaping is courtesy of the Girl Scouts who meet at St. David's on Tuesday evenings.

This garden is packed with Spring and Summer flowers to attract a wide variety of butterflies and other helpful insects, and a bench for meditation and reflection.

Many thanks to the Girl Scouts for beautifying our church home!
