

You can transform the lives of children and their families.

With Family Promise®, be part of an exceptional, hands-on ministry that helps keep homeless families together. It's easy to get involved!

After Yarelis and Alreise lost their jobs, they had to leave their apartment. But as a homeless family of four — husband, wife, and two children — it was hard for them to find a place where they could stay together.

They found refuge at Family Promise®. “I felt secure,” Yarelis said. “We didn’t feel overwhelmed anymore. We felt like a family there.” **This transformation is thanks to congregations like yours that put faith into action and provided hospitality to families experiencing homelessness.** Within two months, they found jobs and an apartment, where they are today.

Sadly, not all children experiencing homelessness have this support. **1 of every 5 people experiencing homelessness is a child.** If families don’t receive shelter, children are at higher risk of ending up in foster care, in hospitals, or incarcerated. Just one night of homelessness impacts a child academically and emotionally.

This is what makes Family Promise® unique. **You help us keep homeless families together.** We’re also the most effective. It’s 1,500+ volunteers just like you who make this possible. *Thank you!*

Why volunteer with Family Promise®?

1. **Actively live out your faith** through an exceptional, hands-on ministry.
2. **There’s something for everyone.** Cook, play with kids, help behind the scenes — we value many interests and talents.
3. **Make a difference.** You’ll be part of a successful, effective program!
4. **It’s fun and easy to get involved.** It works with your schedule. Volunteering just a few hours to make a big difference. Get your whole family involved — including children — or bring your friends.
5. **Provide hope for families** in their time of transition. This experience will transform the lives of children and parents...and your own.

Family Promise® is opening a **Hospitality Center** this Spring/Summer to serve twice as many families as we currently do, filling an urgent need in the community. Located in the Richardson Park area, this space will provide temporary shelter for families with children, doubling our current capacity. To make it successful, we need the support of congregations like yours.

Join us in our movement to end homelessness!
