

Memorial Garden and “Lay Weeders”

The Memorial Garden at St. David's is located to the right of the building on the Grubb Road side. The garden is a peaceful and tranquil spot for meditation and prayer as well as being dedicated as a place of repose for the cremated remains that are buried there. Names of persons whose remains are deposited in the Garden are inscribed on a plaque mounted inside the church building.

The Trustees of the Legacy Fund and Memorial Garden, along with a crew of volunteers, care for the Garden throughout the year. The Trustees and volunteers continue their summer volunteer program of weed deterrence and are always looking for new “Lay Weeders”. Contact Kevin Kane at citizen4kane@gmail.com for information about the Memorial Garden and how you can help this summer.
