Silent Auction Baskets

We need your help to fill our Silent Auction baskets...

Search your closets, attics and garages for unique items:

- * Antiques, dish sets, special clothing, unused gifts, jewelry sets, paintings and wine are very popular items.
- * Donated items for our specialty baskets (golf items, baby items, teen items, games, hostess gifts and gourmet food items are just a few suggestions).
- * Gift certificates for beauty salons, movie tickets, restaurants and grocery stores are also excellent choices.
- * If you would like to purchase a more specific item, please take a sticky note from the silent auction poster located in the lobby.

Please provide an approximate value for your items to use when pricing the baskets.

October 16th is the last day we can accept donations in order to give us time to design and wrap the baskets.
