

## United Thank Offering

February 2, 2018 to April 8, 2018

The United Thank Offering is a program of the Episcopal Church for the mission of the whole church, both at home and abroad. It began as a ministry of Episcopal women but now involves all of us.

The monies are used to support ministries around the world. The Blue Box is its best known symbol and a visible reminder to give thanks at all times for all things. You may want to make the UTO box a part of your families daily Lenten routine. As the coins are deposited each person can give thanks for something in their life. This may open up opportunities for some lively family discussions.

The little blue UTO boxes or envelopes will be available starting Ash Wednesday. One per family, please. They are located on the table in the narthex. If, at the end of the collection, you would like to write a check, please make the check out to St. David's Church and write UTO in the memo line. Place the check into one of the UTO envelopes and put this in the collection box which will be available at the end of the collection.
